My Portfolio Website

Hi, I am Shaurya Kumar Singh — a passionate AIML Engineer who loves turning ideas into reality. This space showcases my work, my process, and the things I am currently exploring..

I focus on creating meaningful, practical, and visually engaging solutions. Whether it is AIML, I aim to blend creativity with problem-solving.

Beyond events, we serve as a vibrant platform for students to connect, collaborate, and build meaningful friendships. By working together, members not only improve their creativity and communication skills but also learn the value of teamwork and leadership.

A screenshot of a web browser window displaying a personal portfolio website. The title bar shows the page is titled "About Me". The address bar indicates the file path is "C:/Users/shaur/OneDrive/Desktop/Assignment/about.html". The main content area features a dark header with the text "My Portfolio" on the left and navigation links "Home", "About", "Skills", and "Contact" on the right. The "About" link is highlighted in yellow. Below the header, a section titled "About Me" is visible. Under "About Me", there are sections for "Who I Am" and "What I Do". The "Who I Am" section contains a brief bio: "Hi, I am Shaurya Kumar Singh — a passionate AIML Engineer who loves turning ideas into reality. This space showcases my work, my process, and the things I am currently exploring..". The "What I Do" section states: "I focus on creating meaningful, practical, and visually engaging solutions. Whether it's AIML, I aim to blend creativity with problem-solving." At the bottom of the page, there is a footer area with a placeholder image of a person's head and shoulders, followed by a standard Windows taskbar with icons for Start, Search, File Explorer, Google Chrome, and File Explorer, along with system status icons like battery level, signal strength, and date/time.
